From Humble Beginnings to a Growing Family of Faith

Our parish began with only a handful of families gathering in temporary spaces before moving to our permanent home in Kellyville. Through prayer, sacrifice, and God's grace, St Mary, St Cosman & St Demian Coptic Orthodox Church has grown to serve a community of more than 1,000 faithful worshippers.

Our Church holds fast to the rich Apostolic teachings and traditions passed down through the Fathers, centred on the Holy Bible, the Sacraments, and the depth of our liturgical worship. At the heart of our Church is a simple truth: we are called to worship God in spirit and truth, to live faithfully, and to pass on our faith to our children and their children.

VISION

To build a sacred home where faith, love, and service flourish for generations.

PILLARS OF OUR MISSION

FAITHFUL JOURNEY

01

God has blessed our parish with rapid growth. It is time to build a larger church to welcome and serve our growing community and anchor future generations in Christ.

GENERATION TO GENERATION

02

What we begin today will also serve those who come after us. It will be a place of belonging for all who follow and grow in the embrace of the Church.

TRUST FROM GOD

03

The Lord has entrusted us with the responsibility to hand down His Church stronger than we received it, so that future hearts may always find Christ's light.

LASTING BLESSING

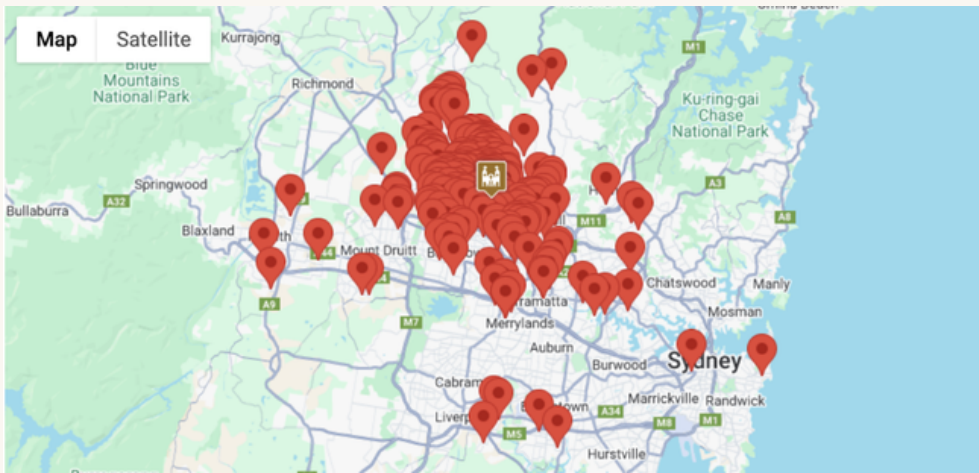

04

This holy home will be an everlasting blessing for the generations to come, where prayers are offered, children are nurtured in faith, and all are embraced by God's love.
